

How to use “Poll Everywhere”

Conceptual questions will be asked during our Physics II lectures and your responses will be recorded using “Poll Everywhere” app. Your responses (correct or wrong) will be used to check your lecture attendance.

1 Click on “Log in”

2 Use your university credentials

3 Click on “Home”

4 Type: “andriydanylov454”

5 Polling time

You can also use “Poll Everywhere” app in your smartphone. It is even easier.
