Subject: Townhall with MSP NTT At-Large Representative for Teaching and Clinical faculty on April 23 from 12-1pm

Dear Teaching and Clinical Faculty,

We're entering another round of contract bargaining! This means that it's time for us to think about our priorities and wishes as a faculty. We will also present the results of the survey that was sent to you in an earlier email.

Johanna Choo and Katie Shrieves, your elected At-Large Teaching and Clinical representatives to the MSP executive board, are going to host a **Town Hall just for Teaching and Clinical Professors from 12-1p.m. on Friday, April 23**. This will be an open forum, and the purpose is to gather your suggestions for priorities for contract negotiation.

We want to hear from you, and we hope you will be able to join us.

Please use this link to

register <https://us02web.zoom.us/meeting/register/tZUqdemrj8vGtJWtxqY7iWPWLp4yyMgSolG>
and Zoom will automatically email you the link for the meeting.

If the date and time do not work for you, you can always email us
