Subject: [UML-MSP] TT At Large Election

Greetings,

We have had a few inquiries concerning the upcoming election to fill the interim Tenure Track At Large Position. This term will end when the next two year cycle election for the At Large positions will be held in November.

If any Tenure Track [Tenured or Pre -Tenured] has reconsidered a run at this time, please submit your intention to Karen Fitzgerald, our Administrative Assistant. Please also submit a 2/3 page Position Statement which will go out with the ballot. Please submit your notice of your consent to be a candidate and your position statement by Monday May 10 Noon to Karen Fitzgerald.

Karen's Email is:

Gratefully,
